Thanks to YOU!!

We are nearly at our \$30,000 goal for our Baby Bottle Campaign!
With approximately 80% of the baby bottles returned (which is the best return to date!) we are just \$500 away from reaching our goal!

If you have one of the 413 baby bottles that are still out there - won't you please help us to make this goal with a generous gift today?

Sweet Victory in Jesus!!

Thank you, **THANK YOU!** to all of you who joined us in praying for the National Institute of Family & Life Advocates, the Alliance Defending Freedom and the SCOTUS Justices regarding the outcome of NIFLA vs. Becerra. On June 26th the SCOTUS issued a 5-4 ruling in favor of California pro-life pregnancy centers and free speech! In 2015 a law was passed which forced pregnancy centers to refer women to county offices for referrals for state-funded abortions, which SCOTUS has ruled as unconstitutional!
