Lyle & Jette Hall Newsletter

Electricity-Woohoo!! We are finally going to have electricity after 1-1/2 years in our house. Hopefully this next week, wow! How many of the moms/wives (or dads or even kids) out there would take bucket baths and have only a few hours a day of generator electricity for this long? My family is great! We now have a solar hot water system and soon solar electricity. Man, are we moving up in the world...

Thank you to all our wonderful supporters! It is just amazing how we are able to do what we do, it makes me wonder sometimes. God bless you!

From Lyle, Jette and the girls.
